## ELLEFORDS HAVE ANOTHER BIG HOUSE

The Elleford Company had another fine house last evening to witness "Other People's Money." The comedy was given with the usual dash and vim of the Ellefords. The moving pictures are making quite a hit.

Tonight another excellent comedy will be given in "Wanted—the Earth." This is also full of laughs.

New moving pictures will be given tonight, consisting of A Pigeon Ranch in Pasadena, Southern California; Mother and her Babies, and the Attack on the Stage Coach.

By request, and in order to let the little ones see "Other People's Money," it will be given at the matinee next Saturday; also a Pink Tea.

There's a powerful lot of different beer in this world.

There's German beer, root beer, bock beer, election beer, CRITERION beer—but why proceed? We have stumbled across the nugget.

CRITERION beer is prepared by a special process which enlivens it and endears it to the palate in an astonishing degree.

It is admittedly the best beer in town.

### BOYS' SUMMER CAMP.

Each club will choose ten fortunate ones to make the trip. Transportation will be given the boys and a minimum charge made to cover table expenses.

Makua is well known as a fine camping ground. Here the Kamehameha boys go every year. Bathing, fishing and mountain climbing will keep the boys in the best of spirits. Just now the Boys' Clubs are in the midst of an exciting baseball schedule, four games being played every week at the Boys' Field. Still there is time for much talk and great excitement in making plans for the summer camp. The date fixed upon is June 26-July 1.

The centaurea (bachelor's button), the blue and white larkspur, and the golden coreopsis are dainty flower soldiers, tall, beautiful, and more than willing to blossom. Planted together, they will supply variegated sunshine through many days.
